

- | | |
|-------------------------------------|-------------------------------|
| 1. axoneme | 11. distal axon |
| 2. monoatomic ion channel complex | 12. sarcolemma |
| 3. ciliary plasm | 13. microtubule |
| 4. motile cilium | 14. synaptic vesicle |
| 5. postsynaptic membrane | 15. main axon |
| 6. axonemal dynein complex | 16. axonal growth cone |
| 7. perikaryon | 17. dendritic shaft |
| 8. septate junction | 18. terminal bouton |
| 9. external side of plasma membrane | 19. synaptic vesicle membrane |
| 10. neuron projection terminus | 20. stereocilia ankle link |
