

1. ciliary plasm
2. axoneme
3. motile cilium
4. microtubule associated complex
5. microtubule
6. axonemal dynein complex
7. cation channel complex
8. ciliary basal body
9. ciliary base
10. neuron projection membrane

11. transmembrane transporter complex
12. manchette
13. septate junction
14. myofilament
15. axonal growth cone
16. spindle midzone
17. spindle
18. outer kinetochore
19. presynaptic membrane
20. condensed chromosome
