

- | | |
|-----------------------------------|---------------------------------|
| 1. axoneme | 11. distal axon |
| 2. ciliary plasm | 12. septate junction |
| 3. motile cilium | 13. spindle midzone |
| 4. monoatomic ion channel complex | 14. manchette |
| 5. microtubule associated complex | 15. terminal bouton |
| 6. synaptic membrane | 16. sperm midpiece |
| 7. microtubule | 17. outer kinetochore |
| 8. perikaryon | 18. sarcolemma |
| 9. ciliary basal body | 19. postsynaptic endocytic zone |
| 10. neuron projection terminus | 20. main axon |
