

1. monoatomic ion channel complex
2. ciliary plasm
3. axoneme
4. synaptic membrane
5. motile cilium
6. cell projection membrane
7. perikaryon
8. axonemal dynein complex
9. neurotransmitter receptor complex
10. septate junction

11. neuron projection terminus
12. external side of plasma membrane
13. distal axon
14. main axon
15. terminal bouton
16. axonal growth cone
17. sarcolemma
18. stereocilium bundle
19. USH2 complex
20. stereocilia ankle link
