

1. axoneme
2. ciliary plasm
3. motile cilium
4. monoatomic ion channel complex
5. synaptic membrane
6. cell projection membrane
7. perikaryon
8. receptor complex
9. microtubule associated complex
10. septate junction

11. neuron projection terminus
12. distal axon
13. stereocilium bundle
14. main axon
15. ciliary basal body
16. microtubule
17. sarcolemma
18. terminal bouton
19. synaptic vesicle
20. axonal growth cone
