

- | | |
|-----------------------------------|--------------------------------|
| 1. axoneme | 11. neuron projection terminus |
| 2. ciliary plasm | 12. distal axon |
| 3. motile cilium | 13. stereocilium bundle |
| 4. monoatomic ion channel complex | 14. main axon |
| 5. synaptic membrane | 15. ciliary basal body |
| 6. cell projection membrane | 16. microtubule |
| 7. perikaryon | 17. sarcolemma |
| 8. receptor complex | 18. terminal bouton |
| 9. microtubule associated complex | 19. synaptic vesicle |
| 10. septate junction | 20. axonal growth cone |
